QUALIFORM DIVESTMENT – 2015 12 11

Qualiform Divestment: for Groupe Pochet "Qualiform development will be favored by more synergies with Certina"

Since December 11th, Qualiform becomes a 100% subsidiary of the German Group Certina Holding, family owned company founded in 1997

Joining Certina Group, alongside companies like Rebhan and Hermann Koch, also operating on plastic packaging, Qualiform opens up new opportunities for synergies and growth, that will favor its continuity, especially on the masstige market. This option will also ensures continuous service to our customers.

Groupe Pochet wish every success to Qualiform teams
